❖ AWARDS AND ACCOLADES

The school is honoured and Privileged as our Scouts and Guides students made us proud. The school bagged three trophies and a shield. The students enjoyed every moment of the Scouts Day celebration at LB STADIUM

- ❖ CBSE has awarded TPS with the logo of Fit India School. CBSE certifies the schools with this logo keeping in view the sports activities the school organizes. It is indeed a proud moment for TPS to get this logo, this will also help us to open more avenues in the field of sports for our students.

❖ OUTREACH PROGRAMMES

We are thrilled to share the success of our Takshasila Public School students who actively participated in various competitions at Rastrapati Nilayam on the 26th and 27th of February, leading up to the upcoming National Science Day celebrations. Our students showcased exceptional brilliance in the quiz competition and demonstrated their outstanding talents in the Science exhibition. They not only gained insights into scientific experiments and innovations but also enhanced their scientific acumen.

Moreover, our students actively engaged in an open forum, providing them with the invaluable opportunity to meet and interact with esteemed scientists. We are proud of their achievements and commitment to embracing the spirit of scientific inquiry.

❖ OTHER PROGRAMS

❖ ALUMNI SESSION

Yashwanth Rao, our Alumni, from the batch of 2006 who is presently associated as a Program Manager at Google conducted an orientation program to our students on the concept "IKIGAI [Reason for Living] continues". He gave a motivational session to the students of this generation about the future and the importance of having a mission and vision for ourselves and our country. He also donated computers for our computer lab. We hope this legacy would be carried forward by the blooming alumni of our school.
